#About Me

The screenshot shows a web browser window with the URL widyeah.github.io/UAPDAP_225150600111008_WIDYA/#Aboutme. The page title is "Widyeah!". The main content area is titled "ABOUT ME" and features a section for "Freelancer Illustrator & Graphic Designer". It includes a bio about the author's active student status at Brawijaya University and their involvement in various communities. Below the bio is a row of icons representing different software tools. To the right, there is a sidebar titled "My Skills" with a bio and a list of skills. At the bottom, there is a "Lets be Friend" section with social media links and a code editor window showing a snippet of text.

ABOUT ME

Freelancer Illustrator & Graphic Designer

I'm an active student at Brawijaya University's Computer Science Faculty. Alongside my studies, I'm part of BEM FILKOM UB 2023 as expert staff in Media Information and Creative Bureau, contributing as a game artist in game developer community in FILKOM UB "RAION COMMUNITY". Additionally, I work as an internal illustrator at mental health community "darimatakaki" and collaborate as a graphic designer/illustrator in bussines project "instantkit". Constantly engaging in competitions and diverse projects fuels my passion for creativity. If you're interested in collaborating on graphic design, illustration, or innovative projects, I'm open to discussing ideas!

My Skills

I have a knack for materializing creative concepts into a wide range of designs, producing narrative and meaningful illustrations using various tools. Proficient in Procreate, ibis Paint, Adobe Illustrator, Photoshop, After Effects, Aseprite, and Figma, I adeptly craft compelling visual narratives and impactful designs across these platforms.

Lets be Friend

I'm open to discuss anything!

The image displays two side-by-side screenshots of a web browser window, both showing the same resume page for "Widyeah!" with the URL widyeah.github.io/UAPDAP_225150600111008_WIDYA/#Aboutme. The left screenshot shows the full resume page with the "ABOUT ME" section and tool icons. The right screenshot is a zoomed-in view of the "ABOUT ME" section, focusing on the bio and the "My Skills" heading. Both screenshots show the same content as the top image, including the bio, tool icons, and the sidebar.

#Experience

The screenshot shows a web browser window with the URL widyeah.github.io/UAPDAP_225150600111008_WIDYA/#experience. The page title is "Widyeah!". The main content area has a dark blue background with the heading "Experience" in light blue. Below it is a large, bold heading "Organisation & Community". A paragraph of text follows, describing the author's involvement in various organizations and projects. At the bottom of the page, there are four logos: BEM FILKOM UB, raión community, Dari Mata Kaki, and Instantkit. To the right of the browser window, a small screenshot of a Windows Notepad window is shown, containing the text "Widya Kharisma Ningrum" and the ID "225150600111008".

#Contact me

The screenshot shows a web browser window for 'widyeah.github.io/UAPDAP_225150600111008_WIDYA/#experience'. The page title is 'Widyeah!'. The navigation menu includes Home, About me, Portfolio, Experience, and Contact me. The main content is titled 'Contact me here' and contains a message: 'If you're interested in collaborating on graphic design, illustration, or innovative projects, I'm open to discussing ideas!' Below the message are three input fields: 'Nama', 'Email', and 'Message'. A blue 'Send' button is at the bottom. To the right of the browser window is a screenshot of a Microsoft Word document titled 'Untitled'. The document contains the text: 'Widya Kharisma Ningrum' and '225150600111008'. The status bar at the bottom of the Word window shows 'Ln 27, Col 16 100% Windows (CRLF) | UTF-8'.

This section displays two screenshots of the same contact form page. The left screenshot shows the original contact form with fields for Name, Email, and Message, and a blue 'Send' button. The right screenshot shows the same contact form after the user has copied the contact information from the Microsoft Word document. The copied text is pasted into the 'Nama' field, filling it up. The 'Email' and 'Message' fields remain empty. Both screenshots show the same browser interface and message text as the top screenshot.
